Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: The subject matter of the independent claims could not be found and was not suggested in the prior art of record. The subject matter not found was the needle shield configured so that upon penetration of the needle into the patient the needle shield acts on the activator which releases the plunger for injecting the dose in combination with the other features of the invention substantially as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
